Letter No 256/IWSH&QC/TNIAMP DSS/2022 Dated 15-04-2024

Sir,

Sub: Development of Decision Support System for TNIAM
Project area.-data requested -Regarding

Ref: 1) GO (D) No.23, Water Resources (WR1) Department, Dt
27-01-2022
2) Nodal Officers's meeting held on 31-01-2024 at this
office

I wish to inform that the work of developing a Decision Support System to improve water management, enhance agricultural productivity, profitability, and resilience to climate variability in selected sub basins of Tamil Nadu and to track the work progress in TNIAM Project Area, as sanctioned in the Govt. Order 1st cited, is under progress.

The MIS Reporting Dashboard of this system will be built with a centralized dynamic database to store detailed information about monitoring and progress tracking of project activities component wise. Also, a Finance dashboard will be designed to keep track of the quantity and cost of different interventions/civil works, information on the organizations or contractors, WUA, and expenses incurred at different stages of the projects and project health attributes and other details on the on-going and completed projects available at the Project/ District/ Block/ Contactor level.

For the development of Finance dashboard and Project Monitoring dashboard as mentioned above, certain data are required from MDPU.

The data requirements as specified by the developer of the web application are enclosed herewith as annexures 1,2,3 and 4 (also, soft copy is sent by email).

Hence I request that the details required in Annexures 1,2,3 and 4 may please be shared so as to integrate the same with the decision support system being developed by this office.
